Dear CEO/Executive Director:

Thank you for the incredible work you do each day to help vulnerable families across Region IV. You remain the trusted ally for low wage-earning families and communities. As we continue to work tirelessly to navigate our way out of this global pandemic, we know community action agencies are the bridge that connects families from crisis to stabilization and from stabilization to self-sufficiency.

The Southeastern Association of Community Action Agencies (SEACAA) is your regional advocate and partner. We appreciate the financial support you provide and look forward to our continued work together in 2023 to improve communities across the nation's largest area of concentrated poverty – the eight-state southeastern region we call home.

In 2023, SEACAA will:

- Advocate for your agency and this region at all levels.
- Provide training and technical support to assist your agency with staff development.
- Offer access to experienced and time-tested Executive Leadership.
- Host our regional conference at the Embassy Suites in Myrtle Beach, SC.
- Stand ready to assist you in building strong, resilient organizations and boards of directors.
- Continue our online university-sealed certifications in the areas of Executive Leadership, Chief Financial Officer, and Human Resources.

Please submit your annual dues payment of \$399 today via the attached invoice.

Again, thank you for all you do. We look forward to a strong and successful year of service in 2023!

Best Regards,

Sharon C. Goodson, CCAP
Executive Director, SEACAA
